The first thing you need to do is get a University of Texas EID (electronic ID).

To get your EID, go to

https://idmanager.its.utexas.edu/eid_self_help

and click on Get a UT EID on the left side of the page.

Click **Continue** to get to the next page.

Answer **NO** to all four questions and click **Continue**.

Then enter your **First Name, Last Name, Date of Birth**, and **Your Email Address** (twice, if you have one) and click **Continue** (you can ignore all the other blanks).

Then select your three security questions and answers (in case you need to recover your password) and click **Continue**.

Then enter your **8 character password** twice and a hint. Your password must have at least one letter and at least one number. Click **Continue**.

Then verify your personal information and correct any mistakes. Then click **Create My UT EID**.

Then *write down your UT EID and password*.

To Sign Up for Your Class, go to

<https://quest.cns.utexas.edu/student>

Click on **The Arrow** next to **Get Started** on the right side of the page

Enter your **UT EID** and **Password** and click on **Log In**

Click on **Enroll in a New Course**

Enter the **Unique #** given to you by Mr. Wilder and click on **Lookup Course Info**

Unique #s: AP09P1 (period 1), AP09P2 (period 2), AP09P4 (period 4)

Under **Courses Found** select your class (make sure that it is for MHS)

Click on **Request Enrollment**

I will approve your enrollment in the class as soon as I can.

To Complete an Assignment, go to

<https://quest.cns.utexas.edu/student>

Click on **The Arrow** next to **Get Started** on the right side of the page

Enter your **UT EID** and **Password** and click on **Log In**

The **Institution** (MHS) and **Semester** should be correct.

Click on the **Name of the Course**.

Click on the **Name of the Assignment**.

View or Print the Assignment from the window on the left

Enter your answers in **My Answers** on the right. You have a limited number of tries for the correct answer.

The assignment must be completed before the day and time that the assignment is due.

After the assignment deadline, the answers with explanations will be published.
